

**MAKINEX®**

# Surface Preparation Concrete Grinder

A robust tool for grinding, polishing, and finishing concrete surfaces.

**Ergonomically 2-handed  
Control for Constant Pressure**

**Economical and  
Robust**

**CE  
Certified**

The Makinex Concrete Grinder is a robust tool; it is your go-to for grinding, polishing, and finishing concrete surfaces, offering exceptional adaptability. This grinder excels in leveling floors and with its removable magnetic shroud ensures flawless edge grinding. CE certified and equipped with power-off and overloading protections, it's a reliable choice. The outlet port accommodates vacuum attachment, maintaining a clean environment. Compatible with standard 7" diamond or resin grinding discs, this tool effortlessly removes surface coatings like epoxy and paint from concrete floors.

## SPECIFICATIONS

Model	CG-2050-US
Product Dimensions	15.1" x 12.1" x 8.94"
Net Weight	14.6lbs
Each Package include: (Disc Grit and Size)	1x 50-grit Polishing Disc & 1x 40-grit Abrasive Diamond Grinding Disc
Motor Specifications	110V / 60hz / 1900W / 17Amp
RPM	3000 rpm (loaded)
Features	Power-off/overload protection Vacuum Port and internal Extraction impeller.

Compatible with 7" grinding (arbor) and polishing discs (velcro), non threaded.

## Ideal For:

**Polishing**

**Concrete Grinding**

**Finishing Concrete  
Surfaces**

**Leveling Floors**

**Precise Edge  
Grinding**

## Features:

1. Removable dust cover for edge grinding

2. Power Off and Overload Protection

3. Vacuum outlet Port and internal Extraction impeller.

4. Variable Speed and Trigger Lock

5. Compatible with 7 inch diamond and resin grinding discs

6. Ergonomically 2-handed controls constant pressure

## Makinex Surface Preparation Range:

1. Mixing Station MS100

2. Hose2Go

3. Jackhammer Trolley
