

MOBILE CHARGE POD MCP

STOP YOUR BATTERIES GOING MISSING!!

MOBILE CHARGE POD allows contractors on a construction site to safely store power tools batteries,chargers & mobile devices while charging their batteries. It has 6 lockers that are large enough for the large battery bank chargers and provides a protected GPO for each locker.

The GPOs are positioned such that the plugs are outside of the locker to enable safety inspectors and others to inspect tags on the electrical equipment. Each locker has large holes in the doors that can be used for inspection and for air ventilation.

- ✓ Save unexpected work gear replacement costs
- ✓ Save complaints and arguments on site
- ✓ Compliant and safer storage solution
- ✓ Double pole RCBO protected
- ✓ Fire rated polyethylene

User BYO padlock-no need to manage access

Plugs external to locker to allow inspection of electrical tags

**PROTECT YOUR POWER TOOLS, BATTERIES, SITE
RADIOS & OTHER CONSTRUCTION TOOLS**
