

POWERED HAND TRUCK PHT-140

The ultimate materials handling lift & load solution

THE MAKINEX PHT-140 is a universal materials handling solution that enables one person to safely lift and load small equipment or bulky goods weighing up to 140kg (308lb). It provides a quick and easy alternative to using a forklift or tailgate loader and can be used in workshops, warehouses, factories, depots, distribution companies and rental yards.

CHALLENGE ON THE JOB?

- Lifting heavy objects on/off vehicles
- Back injuries & fatigue from lifting
- Waiting for two-man lifts wastes time
- Keeping loading bays well organized
- Odd-shaped objects raise injury risk

SOLUTIONS / FEATURES

- ✓ One person can safely lift 140kg alone
- ✓ Attachments for all types of objects
- ✓ Optional nose extension reach
- ✓ Optional rough-surface outdoor wheels
- ✓ Easy to use, no operator license req'd
- ✓ Folds flat for easy storage and moving

Forklift Attachment

Hook Attachment
